## TO START BUILDING & LOAN ASS'N HERE

### Civic Association Appoint Committee to Investigate and Secure Necessary Information

There has been so much talk of late by many of our citizens about the good that a Building and Loan Association would do for Perrysburg that the Civic Association has appointed a committee to investigate and get all information possible concerning such an organization.

The committee feels indeed very much elated in being able to announce that Mr. K. V. Haymaker of Detroit, a most prominent national speaker on this subject, will be at the Civic rooms on Friday evening, January 30th, to tell of the principles and advantages of Building & Loan Associations.

Mr. Haymaker is one of the foremost and most successful building and loan men in the United States and has talked on this subject in nearly every state in the union, and his talk should be heard by every man in Perrysburg. You do not have to be a member of the Civic to attend. Every man in town, and especially those who are interested, are invited to be present to hear Mr. Haymaker.

This will be a special meeting called for this purpose only, and the meeting will open at 8 o'clock. Everyone who is interested in the upbuilding of the town and those who aim to own their own home should be in attendance. Let us have a filled hall. We can accommodate 150 men, and everyone is urgently invited. This is not an organization meeting, but an educational meeting. Don't forget the date and time and make it a special point to be there.

## PERRYSBURG GETS ANOTHER BIG ONE

Constance Talmadge in "A Temperamental Wife" comes to the Auditorium for two days starting Saturday next, January 31st.

This picture played for one week at the Temple theatre and this same star is now playing at the Valentine in Toledo.

Constance Talmadge is shown at her best in "A Temperamental Wife," and will sure please everyone.

The following Saturday and Sunday attraction will be "Checkers," which played for two weeks at the Colonial. Then comes "Back to G's Country," which plays at the Alhambra next week. These are all big pictures and Perrysburg should be proud to have such pictures for their attraction.

## SCHOOL NOTES

P. H. S. defeated Genoa Hi 55 to 7 Friday night. The game was Perrysburg's right from the beginning. Genoa has a large and heavy team, but they are awkward at the floor game, being better adapted to play football. The game was rough at times, while in other things it was slow. Thurlby substituted for Ballentyne, who did not play Friday evening. Thornton started by making 36 of the 55 points.

The Bowling Green Hi girls proved too much for our girls who were defeated 21 to 4. The P. H. S. girls put up a fine battle, but were unable to withstand the continued smashing of B. G. offense.

The town team defeated the Lucky Five from Toledo 26 to 20. The game was rough and the score was about even, up to the last few minutes of play, when Perrysburg forged ahead. The P. H. S. boys and girls play Waterville Hi at Waterville Friday night. The town team also plays the Waterville town team at Waterville.

### First and Second Grades.

Joseph Bailey, Thelma Fahrer, Veronica Heman, Jennie Heafner, Elmer Beck and Winifred Shober have returned to school after having had the measles.

### Third Grade.

Arthur Williams, Kathryn Haefner and Laurel Lyons have returned to school. Eleven are still absent.

### Fifth Grade.

Dorothy Mandell was exempted from all of her midwinter examinations.

Ruth Raney, George Hammon and Vivian Fox received 100 in the arithmetic examination.

Gladys Perrin, Mabel Redman and Werner Spirat were neither absent nor tardy during the first semester.

### Sixth Grade.

Nellie Goble and Phyllis Robinson are sick with the measles.

Leroy Seiling has just returned to school after having had the measles.

Marion Richards is recovering from typhoid fever.

The Sixth Grade room looks much more homey and inviting with its white sash curtains at the six windows. The pupils have a special interest in them because they helped to earn them.

On Wednesday evening last the pupils of this grade enjoyed an old-time sleighride with hayrack and bells. This was through the kindness and courtesy of Mr. Fred Witzler, whose son Robert is in this grade. Great excitement and merriment prevailed over one uninvited guest, when Elma Uthoff thrust his hand into the straw and pulled out a live mouse.

### Seventh Grade.

Twenty-five pupils of the Seventh Grade enjoyed a sleigh ride party on Monday afternoon after school. Refreshments of candy, apples and popcorn were enjoyed by all.

## American-National Raises

The American-National Co. has granted all those employed on time work an increase of 5 cents per hour in wages effective at once. The reed workers and others employed on piece work were also granted substantial increases.

### Institute Date Set

The Perrysburg Township Farmers' Institute will be held at the Perrysburg Town Hall on February 25 and 26, 1920. Arrangements are being made for an excellent program, which will be published in the Journal later.

A corn show in connection with the institute will be something new to be held this year. Prizes will be given for the best displays of corn.

### W. O. W. CIRCLE INSTALLATION

### CONTINUES TO GROW

## FT. MEIGS GETS FINE PRESENT OF \$10,000

### Commission Ask the Cemetery Trustees to Join in the Extension of City Water to Both Grounds

An act of the legislature, which, we believe, will meet with the approval of every citizen of northwestern Ohio, became a law last week when the legislature passed a bill granting \$10,000 for the improvement of Ft. Meigs. The money becomes available after March 1st.

The commission contemplate the building of a public rest room as an addition to the building already there, and the extension of the water mains from Perrysburg to the grounds and also the placing of some markers.

In the matter of the extension of the water mains the commission believes that the cemetery trustees, who also need water at the cemetery, will be glad to join in this movement and make the supply of water at both places possible.

No one will doubt that the city water would be a great convenience and is really a necessity at the cemetery, and we believe there would be few in the township who would voice any opposition.

Ft. Meigs will, no doubt, in time become one of the beauty spots in Ohio, and a mecca for tourists from all over the country, and no effort and no expense should be spared in its behalf.

## AGED LADY DIES

### METHODIST EPISCOPAL CHURCH

W. H. Sybsey, pastor.

"I will make you." Christ will make us just in that secret and mysterious way in which true poetry comes into being. The gift will come as a breath, as an inspiration, as a new creation. "When He ascended on high He gave gifts unto men." He dropped one gift here and a commonplace man became a pastor. Another gift there, and the undistinguished became a prophet. He dropped a third gift yonder and an impotent man became a powerful evangelist. "I will make you fishers of men." (From J. H. Jowett.)

The pastor's sermon next Sabbath morning on the subject, "The Kingdom of Goodness." At night men and boys are especially asked to attend a "Fathers and Sons" Service, with appropriate talk, and a beautiful photograph, "Under the Stars," of the Lincoln "Son of Democracy" series. The interest in this story grows, and not a number should be missed.

Orin D. Swank, pastor.

Services for Sunday, February 1st:  
Sunday School, 9:30 a. m. Lesson Study: "Peter and John in Samaria." Acts 8:4-8, 14-25. This is a great study on the work of the Holy Spirit in missionary activity, and the utility of efforts when there is an attempt to commercialize religion.

### FISH BILL NOW A LAW

The Dilline fish bill was passed last week by both the house and senate over Governor Cox's veto and now becomes a law. It prohibits seign fishing in the Maumee, and now that it has become a law we can expect some good fishing along the river in a year or two. State Fish Protector Baxter has promised to place a car load of fish in the river near Perrysburg in the spring. With hundreds of members of the newly organized fish clubs in Wood and Lucas counties it will be extremely dangerous for anyone to fish illegally in the Maumee next season. Join one of the clubs, help protect the fish, and in a short time, when you go fishing, you can catch a good string.

### WARNING TO WOOD COUNTY

#### FARMERS ABOUT SEED CORN

The samples of corn that have been brought into the different corn shows held in connection with the institutes in the county, show that a number of farmers will be disappointed in the vitality of their seed corn.

In a number of these shows from 15 to 20 samples of seed corn have been shown of which number there have been only some three or four samples which show good seed condition.

All farmers should inspect their seed corn immediately and find out where they stand.

Test it.

### WILL BUILD

Bernard O'Rielly, who is forced to vacate the room he occupied in the Hillbrand building by its sale recently, will commence the erection of a building on the same lot as is occupied by his residence. His new room will be 12x22 feet and one story high.

The Original Herb Co., of Toledo, will commence to move into their new home here about February 1st.

## HAVE A RECORD THIS YEAR

MR. FARMER:—This year you should have a record of all sales and purchases, interest payments, taxes and the like.

It will then be easier for you to make a return of your net income to the government next year, or to decide whether or not you are required to make the return.

It isn't necessary to keep an intricate set of books to do this. Just open a checking account at this bank, make all deposits here and pay all bills by check.

We'll do the bookkeeping for you and furnish the checks without charge.

We have a "Farmer's Account Book" for you.
